DIRECTOR'S NOTES

What a quick three weeks it has been! I must congratulate the parents for bringing up such well-adjusted, funny, and talented children. And can they *dance!* I work at an elementary school for a living, and I must say that this is one of the most fun groups I've ever worked with. This group is the perfect cast for this production of *Tom Sawyer: The Musical*. And we've worked hard to get things right, as this was the first show that OCPA performed many years ago. Many thanks to my supporting staff and to Mandee Light for jumping in as assistant director. Thank you for supporting OCPA, as we continue to enrich the lives of children.

Our *Tom Sawyer* cast is not only gifted in song, dance,
and drama, they are GREAT KIDS!
This group became a team and treated each other well.
I hope to see them in many future productions.
—Marcia Katzmar

What an extraordinary group of students!
I'm amazed at what these kids have learned in just a few
days, how they came together as a cast, and are helping
children to our Magic of Theatre summer camp!
Not only are they having fun, but so are we.
